Christmas card
Cut out and fold

18" Doll Gift Box

- * print onto cardboard (cardstock)
- * cut box out all around the outside
- * cut open the slit on the front of the gift box
- * fold along all the dotted lines
- * put glue on all the shaded areas
- * fold and glue box into shape
- * attach a piece of ribbon to the lid for a handle
- * fill with goodies and close by inserting the flap into the front slit
- * For more instructions to complete this project visit www.dolldiaries.com
