## Doll Model Size

This pattern is designed to fit **18 inch soft body dolls**.  
Head Circumference – 12 ¼”

## Base Pattern

To create the base suit for my costume I used the Simply Bodysuits pattern (***sold separately***).

The bodysuit does not have feet but you can dress your scout with some cute sneakers or some red socks.

## You will need

**Fabric Guide – Felt is used for all three accessories**

- White Felt – 7 x 20”
- Red Felt – 6 x 12”
- Hook-and-loop Tape – 2” (5/8” width - cut in half to get 1/4” wide)
- 1/4” Wide Elastic – 7”
- Matching Thread

## Printing the Pattern

- Pattern pieces are at the end of the instructions. They are designed to fit on an 8.5” x 11” standard US paper.
- Check the scale of the pattern. No resizing necessary. Print files at 100%, “Scale None”, or “Actual Size”.
- If you are using A4 Paper set and your scale is not correct, set your printer to print “Letter” size.
- Simply cut out the pattern pieces or trace them onto pattern paper.

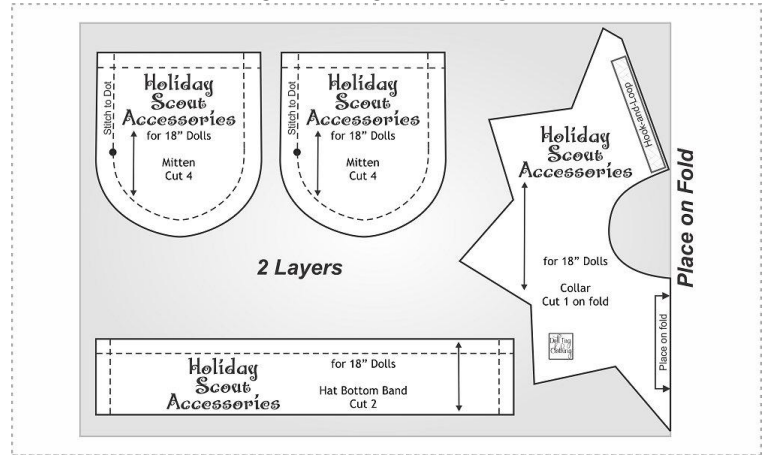

## Before You Begin

- **Seam allowance** – Sew a 1/4” seam unless otherwise stated.
- **“Finish off the seam”** – Felt does not fray so the edges are not finished or fray blocked.

## Cutting List & Layout

Collar – Cut 1 on fold  
 Mittens – Cut 4  
 Hat Band – Cut 2

Hat – Cut 2
