Before You Begin

- The colors in the pattern are as I used for the main cover blanket with the bright colors. You can change and play with the colors as you want to. The "main color - white" is repeated every 3rd row.
- Make a bigger blanket for a baby or yourself by adding rows.

Changing Colors

To change a color at the end of a round — Finish the join with a slip stitch.
Start the next round which is the "Sl st in 2ch corner space" with the new color.
Leave about 3" of yarn to weave in.
